# THEOPHANY CENSER

# You Need:

Think Safety First

- Orange**
- Knife**
- Spoon**
- Tea candle light**
- String**
- Skewer (or pointy object)**

# STEPS:

---

- **Cut off the top of the orange. Make sure it is thick enough to have a bit of the orange meat in it**
- **Scope out the inside of the orange with a spoon at the white side walls of the orange**

- Using the skewer, make 3 holes in the cap of the orange and another 3 holes in the walls of the orange, so that the string can hang through

- Tie knots to secure the cap and the orange
- Put tea candle light inside the orange
