# WHOS READY FOR THE MEMORY VERSE!!

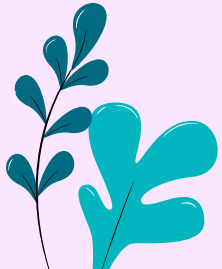

**"And as they were eating,  
Jesus took bread, blessed and  
broke it, and gave it to them  
and said, "Take, eat; this is My  
body." Mark 14:22**

# WHY DO WE COME TO CHURCH?

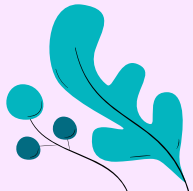

**To be with Him**

**Thank Him for everything  
He gives us**

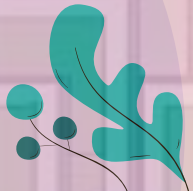

✝ and also most  
important to take  
the Holy  
Communion.

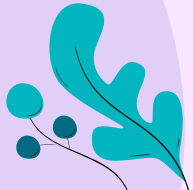

# Why Do We Have Liturgies?

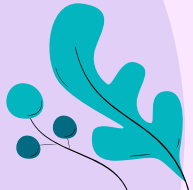

**1. Abouna starts by thanking God for all the things He is giving us and we pray with him.**

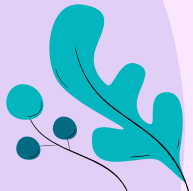

**2. Then, Abouna prays for the sick people, the traveling, the ones who went to heaven. So, we pray with him.**

**3. Then Abouna prays special prayers to ask the Holy Spirit to come down into the bread and wine to become the Holy Body and Blood of our Lord Jesus Christ.**

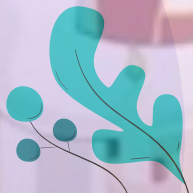

**1. Then Abouna honors and remembers our saints and we pray with him. Also if you have any special thing you want to ask God for, you should do that during the liturgy prayers.**

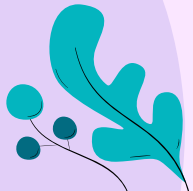

An illustration of a Catholic Mass. A priest in white vestments and a mitre is in the center, holding a large golden chalice. To his left, an altar server in white and red vestments holds a small red vessel. To his right, another altar server in white and red vestments holds a blue chalice. In the background, two cherubs hold a banner with the letters 'D' and 'W'. The scene is set in a church with a red and gold altar.

**Because the Lord first loved us, we can share in that love with Him through the Liturgy.**

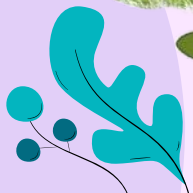

**A sacrament is a mystery of the Church,**

- **Remember to pray your special prayers during the liturgy, especially if someone is sick in your family you should remember to pray for him or her. Or if you have a certain request of God like for example help you to**
